## EMPLOYEE RETENTION TAX CREDIT

**YOUR BUSINESS IS LIKELY ELIGIBLE FOR MORE FEDERAL MONEY THAN YOU REALIZE THROUGH A WIDE VARIETY OF PROGRAMS THAT WERE LAUNCHED TO COMBAT THE NEGATIVE ECONOMIC IMPACT OF THE CORONA VIRUS. WE ARE HERE TO ASSIST YOU THROUGH THE PROCESS AND ENSURE YOU COLLECT ALL FUNDS TO WHICH YOU LAWFULLY ENTITLED.**

**WHY HAVEN'T I HEARD ABOUT THE ERTC?**

The staggering amount of money currently being spent by the federal government is surpassed only by the complexity of the **tangled web of statutes, IRS provisions, and executive orders** that govern the dissemination of funds related to the various stimulus programs. To keep track of the constantly changing availability and qualification standards, it is literally a full time job for tax attorneys specializing in state and federal tax credits.

**HOW DO I QUALIFY FOR THE ERTC?**

There are multiple ways to qualify for the ERTC, and a **loss of revenue is NOT mandantory**. The ERTC is a federal stimulus package intended for business that operated during the pandemic and maintained W2 employees.

**WHAT IF I ALREADY FILED FOR PPP MONEY?**

Of the many federal programs available, many businesses opted to file for the PPP loans. However, filing for PPP loans **DOES NOT** disqualify your business from filing for the ERTC!

**HOW DIFFICULT IS IT TO FILE?**

The information you need to file is largely already available in your payroll software and is often available in ready-to-download reports. Our staff will walk you through the steps to make it as easy as possible. **The information can be collected in a couple hours.**

**HOW MUCH MONEY, AND HOW FAST?**

Your business may qualify for up to **\$31,000 per W2 employee**. Despite the name of the program, clients receive a check (not a tax credit) without any spending stipulations. Clients typically receive their ERTC checks from the IRS approximately 6-8 months after filing.

**WHAT ARE MY RISKS?**

**You have no risk** as long as you provide accurate information in your application. The worst outcome is that your application will be denied by the IRS. Finally, our 20% contingency fee is only due if/when you receive your check from the IRS.

**WHY SHOULD I CHOOSE YOUR FIRM?**

Your business information will be analyzed through our proprietary, lightning fast processing system, and your results will receive the full certification and backing of a tax law firm specializing in federal tax credits and rebates.
